

## Opera Angels

*Do you love the Metropolitan Opera Live in HD programming  
at the Michael D. Palm Theatre?  
To ensure that it will continue in the future – read on!*

The Michael D. Palm Theatre is at an extremely critical point in its development. Funding from the naming of the theatre ended on June 30, 2009. In addition to grants and foundation giving, individual and family support is needed to allow the Palm Theatre to operate as a performing arts center for the Telluride community. **Please join our Opera Angels Circle.** By contributing to the Palm Theatre at this critical time, you secure the Met Opera programming for the future at the Palm!
